Continuation of Substance of Interview including description of the general nature of what was discussed:

Discussed was suggested language for an Examiner's Amendment of the claims to correct antecedent and clarity issues, e.g. antecedence for the term "cone" in claim 32, clarity as to providing sufficient structure for the functional sealing recited in claim 21, and clarity as to which "cone-shaped" structure is intended in claim 33. See attached FAX of 10 December 2008 and accompanying Detailed Office Action for specifics. Applicant agreed that there were issues that could be corrected by Examiner's Amendment.
